

RIGHT OF WAY/CURB CUT/DRIVEWAY PERMIT APPLICATION

Work Site Address _____

Contractor/Applicant _____

Owner _____ Phone _____

**Does the Applicant have permission from the Owner to request a right-of-way permit? Y or N

_____ Commercial _____ Residential

Proposed Start Date _____ Proposed Completion Date _____

Type of Street Surface _____

Is there an existing culvert? Y or N Are drainage ditches present? Y or N

Driveway Requirements:

- Standard size culvert is 18" elliptical by 20 feet long.
• Maximum length including extension is 25-feet.
• Residential driveway must have a minimum 5-foot radius.
• Commercial entry must have a minimum 15-foot radius.

Please Note: Homeowner is responsible for maintaining culvert and ditch. (mowing and weed eating) -- The City of Sapulpa, OK is not responsible for cleaning or maintaining the storm drain. -- If making a curb cut, the curb cut must be mountable to prevent stormwater drainage.

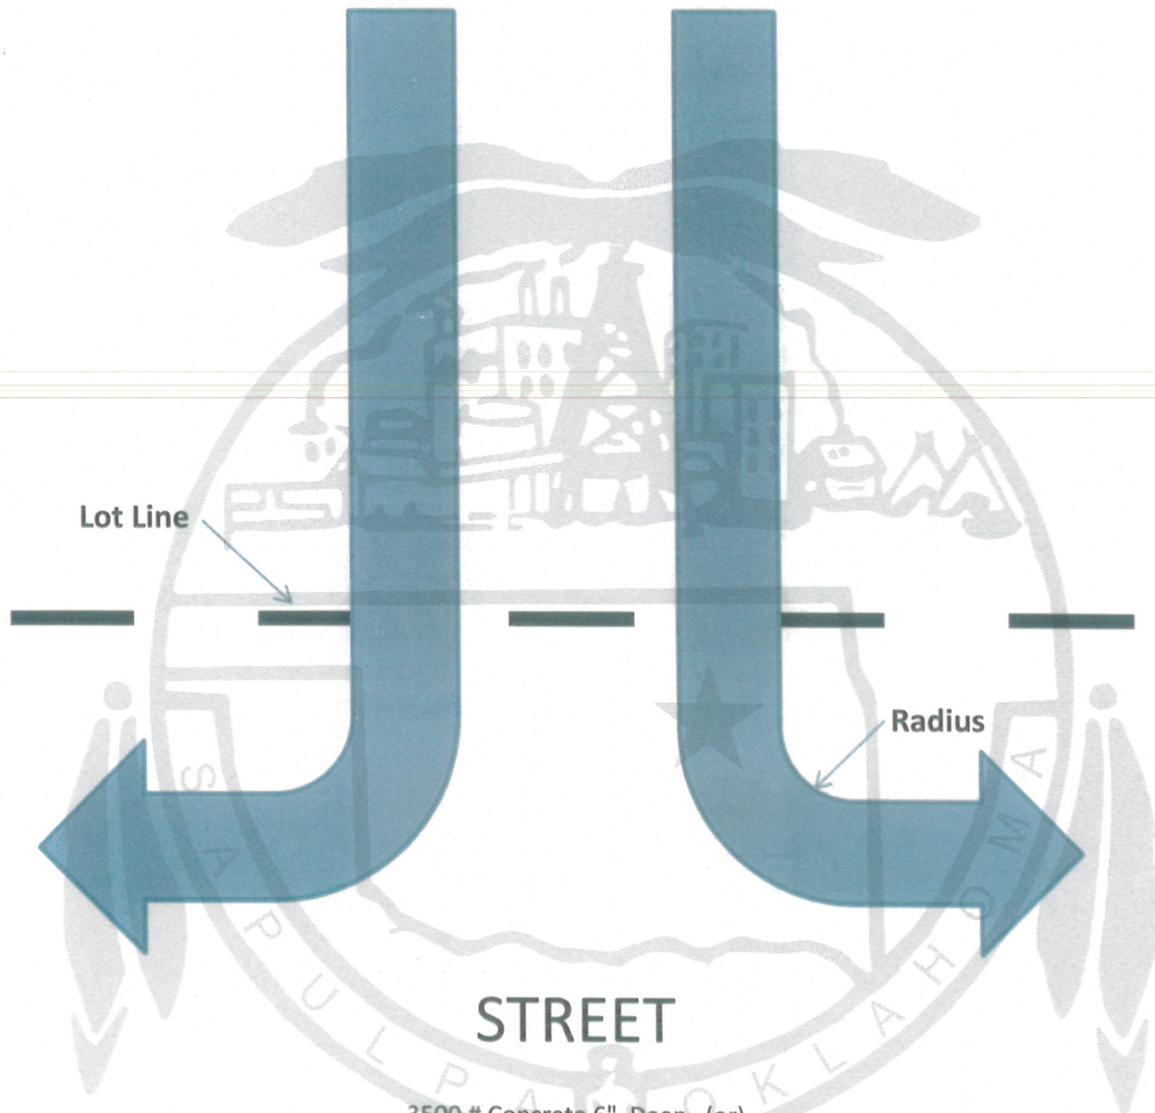

I am familiar with the specifications pertaining to the proposed installation and do agree to (1) Perform all work as directed by the Sapulpa Design Criteria (2) Hold the City of Sapulpa harmless for any damages or injuries to any person(s) or properties caused by or resulting from the construction or repair of the facilities under the public right-of-way, and (3) further agree to reimburse the City for any repair of any damage to City facilities caused by the construction of the applicant's facility.

I hereby certify that I have read and understand the above requirements.
